Re: *Cisco Systems, Inc. v. Arista Networks, Inc.*, Case No. 5:14-cv-05344-BLF (N.D. Cal.)

Dear Lizzy:

Enclosed please find an encrypted USB hard drive containing a production of documents Bates labeled CSI-ANI-00000001 through CSI-ANI-00643124. Please note that there is a large gap in the production numbers at CSI-ANI-00129789 through CSI-ANI-00184615, which reflects a processing error; no documents were produced in the ITC cases within this range.

Other gaps in the production reflect documents containing third-party confidential information that we do not yet have permission to produce. We will provide an overlay with those documents when possible.

Please note that this production contains information that was designated as CONFIDENTIAL BUSINESS INFORMATION in the ITC cases and should be treated as HIGHLY CONFIDENTIAL – ATTORNEYS' EYES ONLY information in this case.

Very truly yours,

/s  
Matthew D. Cannon
